9. [redacted] [redacted] called to say an Agency employee [redacted] is resigning from the Agency to run for Congress [redacted]

10. [redacted] I called Miss Roth, in Senator Strom Thurmond's office, who had requested, through USIA, that a constituent be placed on the mailing list to receive copies of the [redacted]. I advised Miss Roth that it [redacted] policy not to distribute this publication except to Government officials and members of Congress. Miss Roth said she had thought this might be the case but wanted to check on it. She mentioned that Senator Thurmond reads the [redacted] very closely and has shown it to the constituent who had expressed an interest in it. I told Miss Roth we were pleased to know of the Senator's interest in the Daily Reports and regretted that we could not comply with her request. She said she understood fully.

11. [redacted] Personnel, called to say he has been advised, through Central Cover Division, that Senator John Sherman Cooper's office has sent to the Army a letter from a constituent, [redacted] who expressed an interest in the case of [redacted]

[redacted] We will discuss this further tomorrow.

12. [redacted] [redacted] met with Messrs. [redacted] (CDC), [redacted] (OO), [redacted] (CDC), [redacted] and [redacted] (Alien Affairs), to discuss the status of existing and proposed legislation on the subject of escapees and refugees. It was agreed that those having liaison contact with Immigration and Naturalization Service and the Department of State would attempt to determine action being taken or positions drawn on any new legislation. This office will discuss the subject with the House and Senate Immigration Subcommittees to determine the action which those Subcommittees propose. It was the general feeling of the group that an extension of PL 86-649 or the enactment of Senator Hart's bill (S. 3043) or both would serve our purpose to utilize where appropriate authority such as those where individual cases do not merit the use of our section 7 authority.
